The RFQ email

An RFQ email is not a quote request yet.

It leaves out what a quote needs.

ChatSKU

One line in, three gaps out

Your team writes back

The email

1 line

"Need 500 stainless fasteners, can you quote?"

Still missing

3 gaps

Size, grade and delivery date.

Every gap is another message and another wait.

ChatSKU

I ask while the buyer is here
One question at a time

ChatSKU

What your team gets

A complete request, not a thread of follow-ups.

See how it works at chatsku.com
